Reading Together
In the hall on a Wednesday – 8:20-8:40am.

This is an opportunity for parents and children to spend some time reading together as well as collect one of our fluffy bugs and a sticker.

Welcome to Everyone!

Welcome to all members of our Acorn family old and new.
I hope you all had a great summer, and I very much look forward to working with you all this year.
My door is always open, please come to the office if you need anything and I will do my best ☺

Mrs Cheryl Noble

Open Doors
In classrooms on a Wednesday – 3:15–3:30pm

This is an opportunity for parents to speak to the class teacher about anything and for the children to share the learning they have been doing in class.

Office opening hours

The school office is open from 8:30am to 3:30pm for all enquiries.

First aid emails

All our children have accidents from time to time, and we will let you know when this happens. We will send home notifications of all recorded accidents via email.

Earrings

We follow the health and safety guidance provided by the Local Authority regarding earrings.
This states that earrings should not be worn for any type of physical activity.
For our children this includes playtimes, lunchtimes and PE.
All earrings should be taken out before children arrive at school. Plastic spacers can be worn if needed.

Parents Evening

Parents evening will be at the end of October – please see dates in diary dates box.
This is the opportunity for all parents/carers to book an appointment with your child/children's class teacher to discuss how this term has progressed. Further details about how to book appointments will be sent out soon.

Arbor

Please can everyone log on to Arbor and ensure that all details are correct for you and your child/children.
It is very important that we have an email address and phone number for all parent/carers.

Weather/coats

As we currently seem to be experiencing ever changing weather, please make sure your child is prepared for the predicted weather conditions.
This includes bringing a coat to school every day even if it is sunny in the morning as the weather can change very quickly.

Attendance and Lateness reminders

A reminder for everyone about the importance of attendance and punctuality at school. We work hard to provide the best opportunities for our children and the best way for your child to benefit from these opportunities is to attend school on time every day.
We realise that young children catch all sorts of bugs and there are times when they are ill, but it benefits the children greatly if we all make as much effort as possible to attend school on time every day.

School starts at 8:40am and children should be going through their classroom door at this time.

It is incredibly busy in the office first thing in the morning, and it is very important that your child arrives at school on time to ensure they go in through the gate.

Bringing your child through the office should be for unavoidable emergencies only.

School finishes at 3:10pm and children should be collected from their classroom doors at this time.

All children should be collected from their classrooms at 3:10pm unless there is an unavoidable emergency that means you need to collect early.
